Career Dual Enrollment

Earn your high school diploma, obtain an industry credential or license, and earn articulated college credit all while in high school. **Okaloosa Technical College (OTC)** can help you meet these goals and prepare you for your future. As a Career Dual Enrolled (CDE) student, you will share your day between **OTC** and your home high school. This means you will be able to complete an industry approved, high-skill, high-wage technical program with weighted credits while you are completing high school graduation requirements.

Okaloosa Technical College

High School Career Dual Enrollment Application

Rev. 1/17/2020

Career Dual Enrollment (CDE) opportunities are open to all Okaloosa County full time high school students that are in their junior or senior year. Transportation will not be provided. Some programs will have further requirements. Prospective students should see their home high school counselor to discuss Career Dual Enrollment options.

After reviewing the Admissions Brochure and you feel OTC's Career Dual Enrollment program is right for you, please complete the following:

- Submit a completed application signed by your parents and guidance counselor**
- Take the CDE Minimum Basic Skills Test**
- Meet with a program counselor or administrator at Okaloosa Technical College to review your test scores.**

All of the above components must be completed before you can be considered as a candidate for Career Dual Enrollment.
